IN PROGR

I think I recognize the gait of the stranger coming down the way
But where from?

Wait

Could it be?

Yes

that pale face

The square jaw

And now coming into view

The details of your nose

It's you

With your new fiancé

I heard a rumor about her

You've dyed your hair again—yellow now
—that was always your best color in my view

As you pass by I see your eyes—
beauti—
